

Special shows for festive season

ISHANAY, one of the largest design centres and specialty mall for interiors and exteriors has announced special festive shows on October 29 and 30 for Fantasia Magic – the laser sound and water works show. The show is at the amphitheatre at 7.30 pm

Ishanya also announced a special festive season rate of Rs. 175 (all inclusive) to provide unique entertainment opportunity as well as to reach across to families and kids from all segment of the society. Fantasia Magic is first of its kind of laser and water works show in India, only seen at Disney or Sentosa Island Singapore. The show is written and produced by Tara W Smith of London and LSE of Belgium, stated a press release.

The show – a blend of laser, water, animation, film, flames and lighting – depicts the story of ‘good winning over evil’. The show magically transports the audience into another dimension. It is a modern symphony filled with outer space battles, magical mermaids, and wizards.
